C.O.P. Pili Sweets and Pastries

C. O. P. Pili Sweets and Pastries is the **manufacturer of Wrapsody Pili Nut-Filled Pastries and Y-Nut! Roasted Pili Nuts;** a line of **non-traditional, premium pili nut products**, made in the province of Albay in the Philippines.

Registered in 2006, the company was inspired by the **pili nuts' unique characteristics,** carefully selected and manually hand-picked pili nut kernels are used to assure consumers and customers obtain high quality products.

The company's unique take on pili nut processing took off when they had their first major client, **Philippine Airlines.**

Since then, the company has been **exporting products to Japan, Hong Kong, the USA, and South Korea.**

Why Non-Traditional?

C.O.P. Pili Sweets and Pastries is dedicated to **exploring the high-value potential, versatility, and unique characteristics of pilinuts.**

The company aims to **expand upon the existing market offerings** and **discover new possibilities for pilinut-based products.**
