DAL 1976

*Pre-final presentation – 10 February 2026*

# *When it comes to lemons, we Italians are blessed*

*Our climate and traditions have combined to create the perfect environment in which to grow some of the finest lemons in the world. We take pride in selecting, pressing and bottling their juice with care, so as to be able to share its unique qualities with you.*

*G. Polenghi*

# *Polenghi Group*

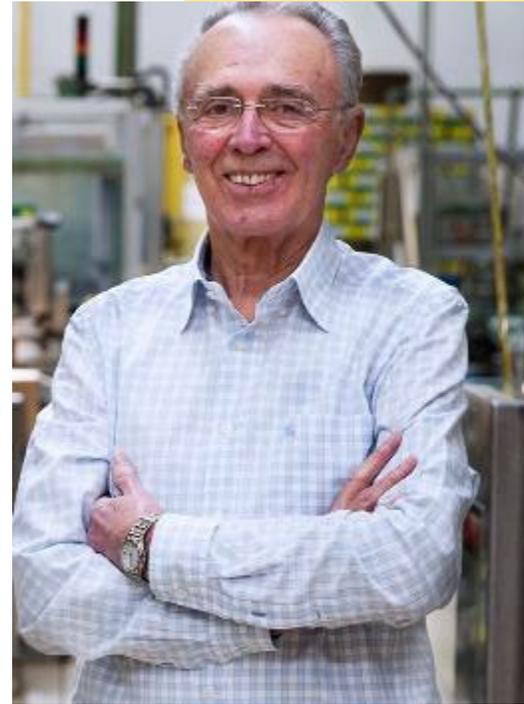

- *We are an Italian Family Business*
- *Established in 1976 – the first Italian company to produce bottled lemon juice*
- *Now with owned operations in 8 countries ... including DFI in the US*
- *And sales in over 90 countries*
- *We offer a full lemon and lime juice portfolio – branded and private label*
- *We are now Europe's largest citrus juice producer*
- *And the Number 1 provider of Italian lemon juice worldwide*

## *Born of a vision*

*To spread the benefits of  
Italian lemon juice  
to every corner of the  
world.*

*Offering the best products  
for every occasion, in  
simple and versatile  
ways.*

## *Our mission*

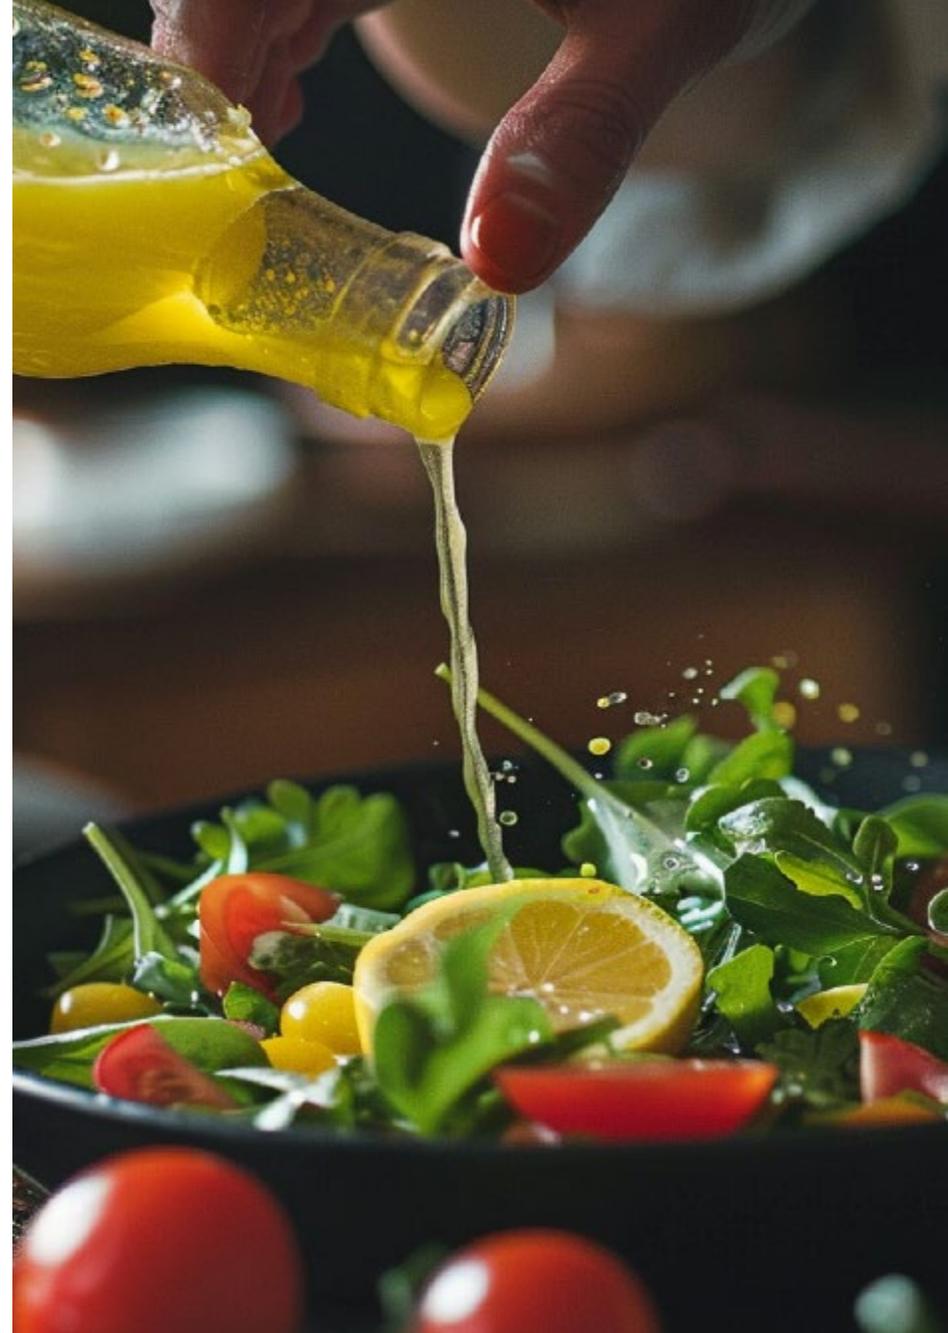

*Is to elevate lemon (and lime) juice across  
each of its types.*

*Serving gold standard products  
from super-premium to mainstream,  
creating value from growers to consumers.*

*Adding a dash of lemon juice is always good.*

*If it's Italian, it's better.*

***If it's Polenghi, it's best.***

# ***Caraffina*** *a story of leadership and innovation*

*Since 1976, Polenghi has been the global symbol of authentic Italian lemon juice.*

*The **Caraffina**, with its elegant glass shape, has become an icon of quality, Italian style, and naturalness.*

*Today, celebrating 50 years of history, **Polenghi** introduces the new **Caraffina**: same spirit, but a more contemporary, elegant, and sustainable design to strengthen its leadership.*

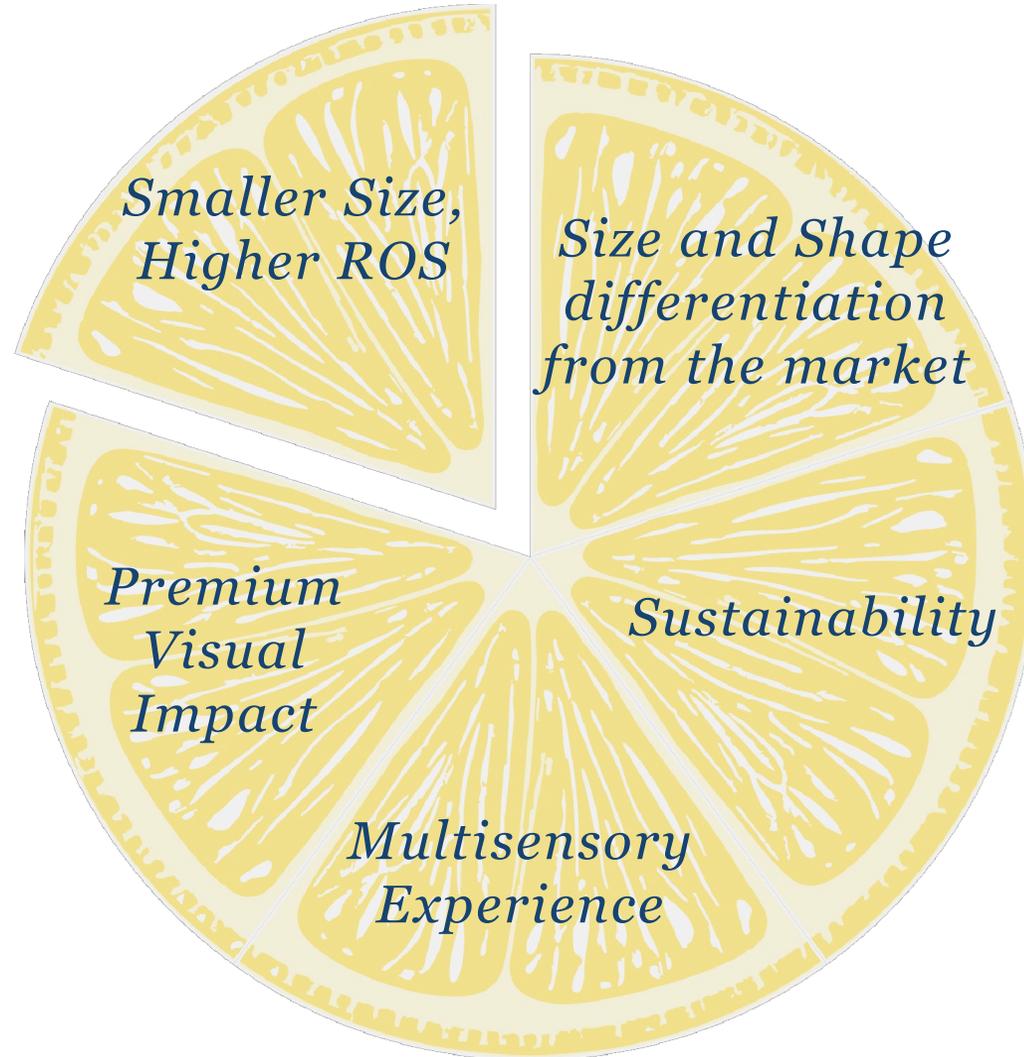

# *The new Caraffina design evolution of an icon*

*The new Caraffina keeps its signature elegance while embracing a modern identity:*

- **200ml size:** the most widespread worldwide, ideal for retail and avoiding direct comparison with 250ml private labels.
- **Semi-white glass:** adds sophistication and product purity, with up to 50% recycled glass.
- **Minimal, modern shape:** keeps the iconic neck curve with a refined, balanced silhouette.
- **Lemon-shaped embossing:** three tactile reliefs evoke freshness and enhance grip.
- **Half sleeve** for premium visibility and authenticity.
- **Exclusive Polenghi mould:** unique, proprietary design.

# *Caraffina's benefits for the market*

*Thank you!*
