No artificial coloring/flavoring	-	Dietary Fiber	1.8 g / 100 g
		Sodium	1 mg / 100 g

Product Characteristics	Use Scenes (Usage · Recipes)
A ready-to-eat cooked germinated brown rice made from Low GI rice, offering a healthier alternative to conventional rice products. It combines better nutrition, clean-label simplicity, and shelf-stable convenience in a format designed for modern consumers.	Suitable for diabetic consumers, elderly consumers, and people with limited time for rice preparation. Its ready-to-eat, shelf-stable, and Low GI characteristics make it a convenient and better-for-you staple food option for daily consumption.
