ITF				
Products	This liqueur is made from yogurt with a robust flavor produced in Ashikaga City, Tochigi Prefecture, spirits produced by our brewery, and fresh yuzu juice harvested in Tochigi Prefecture and carefully squeezed by hand using equipment. The sourness and richness of the yogurt and the refreshing sourness and aroma of the yuzu juice will fill your mouth. It is recommended to drink it well chilled, straight, on the rocks, or as a float with vanilla ice cream.
