| Product Description | Our own product red vinegar (sake-kasu vinegar) and black vinegar (brown rice vinegar) are blended with & raw sugar and & Meyer lemon juice from Mie Prefecture. It is a sweet syrup type vinegar. It can be diluted and drunk.                                 |                            |                                                        |
| Cooking example     | Marinate fried foods in a base, pour over fried foods afterwards, or substitute mayonnaise for potato salad. A fine dressing, just add olive oil or salt and pepper. Sashimi carpaccio sauce, pour over yogurt/ice cream. Pour over steak or grilled fish, etc. |                            |                                                        |
