		Protein	6.8g
		Lipids	0.7g
		Carbohydrates	82.2g
		Salt equivalent	0g
			Per 100g (analytical value)
Product Characteristics		Use Scenes (Usage · Recipes)	
Using our unique technology, this product is made entirely from Japanese rice, without any wheat, gluten, or additives. It also absorbs less oil than regular breadcrumbs, so it can be used in a variety of dishes, just like regular breadcrumbs.		We recommend fried foods with low oil absorption and low calories (they go especially well with seafood). You can enjoy the crunchy texture of white fried foods.
