

QUARTET GLOBAL

One Step Ahead

Quartet was born in 2011 and raised in Izmir, Turkey. The company has averaged growth of 32% annually and currently operates with its 23 staff. Each member of our team has minimum 20 years of experience in providing assistance to international buyers looking for the products we are supplying.

The idea of the company's business process is a fresh idea with multi-cultural products & brands. The team at **Quartet** understands the importance of professionalism, customer service and efficiency. We provide quality products and services to help enhance our customers' business with excellent service and support.

From sourcing to delivery, all phases of the business are developed internally, including identifying specific opportunities and demand for specific products in accordance with local food safety and health regulations. We strive to assure our customers that every aspect of our business from production area to our valued customers to maintaining a controlled warehousing facility for your food service and consumer needs is constantly being monitored by our quality control and safety engineers. With growing public concerns on health and safety issues in the food industry, we cannot leave any rock unturned to risk and possibility of unsafe products being distributed into the food chain.
