

MOONQ

Founded in 2021, TP Winery LLC is the heartfelt vision of Tevan Poghosyan, a passionate wine-maker dedicated to crafting unforgettable wines that reflect his love for the land and the art of winemaking.

For 18 years, he crafted Adrine, a homemade wine dedicated to his fourth daughter. Producing only 100 bottles each year, he gifted them to friends as a symbol of love and faith.

Today, at 50, Tevan has brought his lifelong dream to life by founding TP Winery. The result is MOONQ — born from his deep love for family, community, and the art of winemaking.

MOONQ embodies a community that stands together, heals, creates, and celebrates life — always with a glass of wine in hand.
