

Company History

CM Food Group is a 100% family-owned company with the main operations located in Puerto Rico and farms and processing plants in Costa Rica and Puerto Rico. Owners Carlos R. Colon and his son Alex R. Colon come from a family that has been involved in the agriculture since the 1940's and had the idea of having the freshest products available to customers. For the past years CM Food Group has built a loyal customer base, and continue to create products that reflects, health, quality and taste, with the slogan, the Healthy way to go!

Our family has been in the agricultural industry since the 1940's, we are a vertically integrated company located in Puerto Rico, Costa Rica and Florida, which owns the farms, processing plants and the brands, we are a Hub Zone and Minority Certified company that comply with all the requirements and attributes that consumers are looking for such as

- **Non-GMO**
- **Gluten Free**
- **NO MSG**
- **No artificial flavors**
- **No artificial ingredients**
- **No preservatives**
- **100% Natural**

This provides us with flexibility to work faster with our customers and distributors. Our brands were created to fill that gap in the specialty and healthy category that is continuously growing and that every consumer is looking for.
