| Using our unique technology, we have created this breadcrumb using only corn and Japanese rice, without using any wheat, gluten, or additives. The fried batter has a light texture and can be used in a variety of dishes, just like regular breadcrumbs. | Recommended for frying vegetables (onion rings, peppers, etc.). Enjoy the vibrant colors and crispy texture of fried vegetables. |                             |   |  |  |
