

PREMIUM HASS AVOCADO

JALISCO, MEXICO

Technical Data Sheet

"The Golden Cream of Western Mexico"

Hass Avocado from Jalisco is recognized globally for its superior quality, creamy texture, and high oil content. Grown in the rich volcanic soils of the highlands, our fruit meets the most demanding standards of the Japanese market, ensuring excellence from the orchard to the table.

UNIFORMITY & CONSISTENCY

Our orchards are characterized by their large scale. This ensures consistent quality and sizing in every shipment, satisfying the rigorous precision required by Japanese distributors.

YEAR-ROUND FRESHNESS

With optimized logistics and strategic climate zones, we provide fresh produce directly from the farm to your table throughout the entire year.
