The power of coenzymes	
	<p>naturally fermented fruit enzymes</p> <p>Fruit enzymes made from domestically grown fruits, fermented and matured for over two years.</p>
The power of beneficial bacteria	
	<p>oligosaccharides</p> <p>Helps increase beneficial bacteria such as Bifidobacteria.</p> <p>Helps regulate digestion and maintain a healthy gut microbiota, supporting overall digestive wellness.</p>
	<p>Heat-treated lactic acid bacteria FK-23</p> <p>Promotes the growth of lactic acid bacteria in the gut and improves intestinal health.</p> <p>Each stick contains approximately 10 billion lactic acid bacteria.</p>

Supports beauty with fruit enzymes and carefully selected Job' s Tears sourced from Japan.

Job's Tears Enzyme is a beauty-focused supplement made from Japanese-grown Job's Tears rich in amino acids, combined with organic hulled Job's Tears, organic Job's Tears young leaves, and our proprietary fermented Job's Tears.
Fruit enzymes, oligosaccharides, and lactic acid bacteria are added to support digestive health.
Enjoy daily support for your beauty and well-being.

Nurture Your Inner Beauty with Job's Tears Enzyme

Healthy, well-balanced skin is essential to beauty.
Job' s Tears Enzyme contains our proprietary fruit enzymes, along with lactic acid bacteria and oligosaccharides, to help support a healthy digestive environment.

Suggested Use

Enjoy 2 to 3 sticks daily. Simply take with water, or mix into soy milk or soy milk yogurt for a smooth and tasty option.
