SUN LEE GROUP

  
SUN LEE GROUP

Welcome to  
Majestic Food Industry Co.,Ltd.

Majestic Food Industry Co., Ltd is one of the leading Canned Food processing manufacturers in Thailand. The factory was established in October 1999 as the 2<sup>nd</sup> food processing plant of Sun Lee Group in Thailand. The factory proudly stands on 32 acres, located in the heart of Northern Thailand, called Lampang. With 35,000sqm of facilities and 700 workers, we can process 80,000 metric tons of raw materials equivalent to 3,000 containers (TEUs) of finished products per year.

Our Advantages

Located in the richest agricultural area of Thailand, Quality is our priority. Our own contract farming program ensures us to have fresh, consistent quality and sufficient raw materials from field to the factory. Our well-trained staffs strictly follow sanitary working procedures to ensure the highest quality as well as customers' most satisfaction. Using modern technology, our well-equipped factory aims to minimize cost and enhance products quality. Moreover, the facility is environmental friendly using Biomass Stream Boiler as well as operating Waste Water Treatment system, making the world a better place to live.

Canned Sweet Kernel Corn

Products  
Thanks to our dedicated and hardworking staffs working from the heart, our Canned Sweet Kernel Corn, Canned Cream Style Corn and Canned Baby Corn are regarded as high quality products to customers all around the world.

  
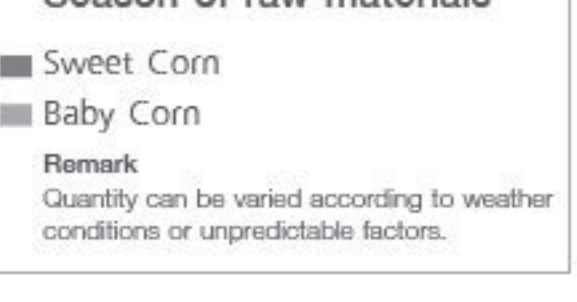

Canned Baby Corn

  
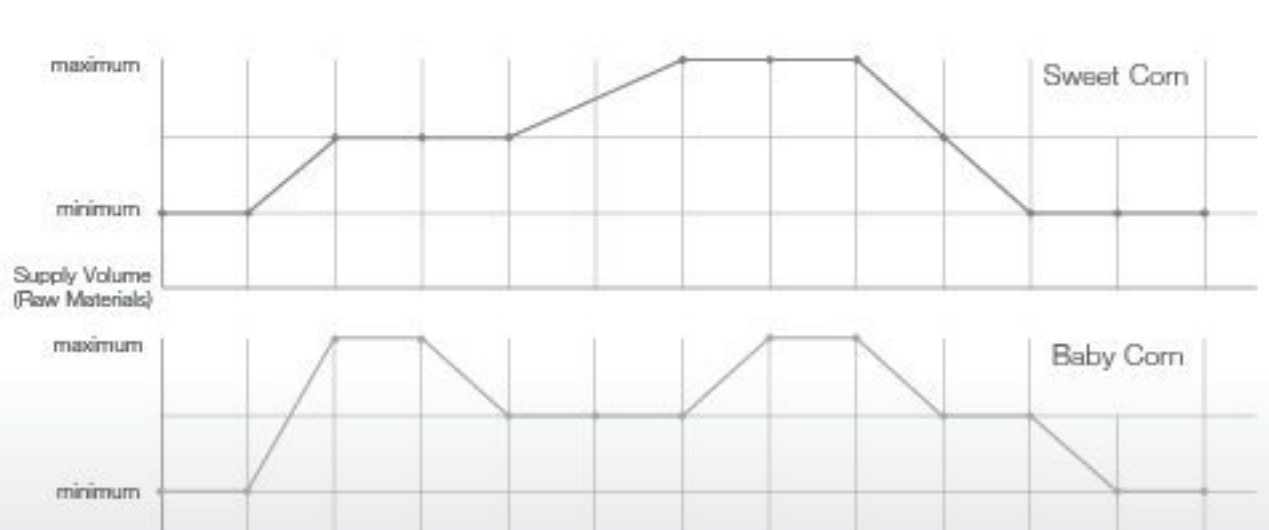

Brand

Canned Baby Corn requires skilled workers to ensure that raw materials are good enough for production. With our more than 10 years experience in producing this item, we are confident to be your "right" answer for your Canned Baby Corn requirements. Production season of Baby Corn is similar to Sweet Corn which is all year round. Even though, the supply of raw materials of Baby Corn is more limited, Majestic food industry will make sure that all orders are delivered completely and punctually.

We are pleased to offer all products under our own brands: Sun Lee, Sun Bird, Tropical Farm and Green Hills. In addition, we are pleased to pack your Private Labels with minimum order quantity of 1 container per item.

Season of raw materials

  
■ Sweet Corn  
■ Baby Corn  
Remark  
Quantity can be varied according to weather conditions or unpredictable factors.

Canned Sweet Kernel Corn

Sweet Corn is grown throughout the year; though there are High and Low seasons. We are pleased to work closely with all customers to ensure that they get the right product at the right time and the right price. It is our intention to continue improving production standards as well as strictly control product quality.

  
High Quality Guaranteed

  
Quality Standard

BRC (Grade A ) and IFS (Higher Level) prove our company's motto that "Quality is our priority" as well as "World Class to World Class". Moreover, we acquire GMP, HACCP and ISO9001:2008 certified by SGS Thailand. Not only the finished products, our raw materials are also conformed to the government's Food Safety Project, "GAP" (Good Agricultural Practice) certified by Ministry of Agriculture and Cooperative. OU Kosher is also available to those who require this certification. Please feel free to let us know your requirements and we will response accordingly.
