

Cabernet Sauvignon Premium

Fruity and intense

In wine is truth

Cabernet Sauvignon Premium

The vineyards are planted on the hillslope near our house. The southwest-facing location allows the grapes to achieve great maturity. We take special care of the vines. We achieve wine with a high aromatic profile with a combination of cover crops and slow growth. The vines are more than 30 years old.

The color is ruby red. The flavors resemble forest fruits and black currants. The tannins are smooth.

This wine is aged in inox tanks, with a part aged in oak, and the emphasis is on the fruity character.

Vintage: 2024.

Alc.: 13,0 % vol.

Body: Medium,

Sweetness: Dry,

Winemaking: traditional fresh wine, sustainable
