Vanilla Beans/Trehalose		Carbohydrates	49.9 g/100 g
Pectin		Salt Equivalent	0 g/100 g
Strawberry powder			
Product Characteristics		Use Scenes (Usage・Recipes)	
This luxurious jam is made with Fukuoka Prefecture's "Amaou" strawberries. By expertly blending the fruit's flesh with our own strawberry powder, we offer a rich and delightful flavor. The powder is processed without heat treatment, allowing the natural nutritional value and flavor of the strawberries to be preserved in the product.		This product, characterized by the rich sweetness and flavor of strawberries, is perfect for adding to toast or yogurt. It adds a fruity, sweet accent, making it ideal for desserts as well. Additionally, when added to smoothies, it provides a fresh flavor, making it a great choice for healthy drinks. It is also perfect as a gift for someone special.	

## ■ Product Picture

		Allergen (Specific Raw Materials)	
		None. (This product is produced in a facility that also processes products containing milk, eggs, wheat, and peanuts.)
