

## “ Venice!

There is a most admired city,  
a most celebrated,  
a most sung by the poets,  
most desired by lovers,  
most visited and most famous?

**Venice!** There is a name  
in human language that  
has made to dream  
more than that? ”

Guy de Maupassant

## TRADITION AND QUALITY

The Italian sandwich is called "Tramezzino" and it is a bread without crust invented in the ancient beautiful city of Venice.

Artebianca, an Italian company founded in 1968 by Adriano Anzanello, created a superior product that combines tradition and quality.

### Made with Love.

Enjoy this unique and tasty bread every day.
