

Bourbon Vanilla Ltd

Your Reliable Vanilla Partner

**Our company is audited against a variety of certified institutions to meet the needs of our customers.
Each collaboration is unique and our products are prepared and tested for this.
Quality remains at the heart of our business.**

Global Standard for Food Safety

Scope covered: The production, conditioning and packaging of cured vanilla products (chunks/cuts, pods, extract & extract with seeds, paste, powder, vanilla seeds and vanilla flavored sugar) and the packaging of raw cane sugars in either vacuum packed plastic packaging, glass or PET packaging.

Exclusion from scope: Sea salt & honey.

Kosher certification

To ensure that all ingredients and derivatives adhere to all Kosher Law requirements.

Scope covered: Invert sugar, raw sugar cane, vanilla extract with alcohol, vanilla extract with seeds, vanilla extract without alcohol, vanilla flavored sugars, vanilla paste, vanilla pods, vanilla powder

Halal certification

Covers a set of practices that are allowed by the Muslim religion associated with food that is acceptable according to Islamic law.

Scope covered: vanilla extract, vanilla paste, vanilla powder, vanilla beans, vanilla seeds and vanilla extract with seeds

Ecocert Organic Standard

Ensure a minimum threshold of 95% of natural ingredients from organic farming to be reached.

Scope covered: spent vanilla powder (organic), vanilla extract - buy and resell (organic), vanilla extract - production (contains organic ingredients), vanilla seeds (organic), vanilla powder (organic), vanilla flavored sugar, (contains organic ingredients), cured vanilla (organic)

Fairtrade certification

Ingredients and products have been certified, sourced, traded and audited in compliance with Fairtrade Standards

Scope covered: vanilla (vanilla mexicana, vanilla fragrans, vanilla planifolia)

MISSION

To produce the best products that meet the international market's expectation for exceptional quality and flavours.

VISION

To be one of the most respected and trusted names in the trade of vanilla and associated products in the world.

COMMITMENT

At Bourbon Vanilla Ltd, we understand the importance of quality and reliability. We spent years building one of the most secure vanilla supply chain in the world for your peace of mind. We are committed to satisfying our customers' expectations while caring for the well-being of our employees.

Bourbon Vanilla Ltd has been operational since 2007, and is made up of a young, dynamic, and passionate team. As our name suggests, our main product is vanilla in all its forms: pods, cuts, powder, extract, paste, seeds, etc.

Bourbon Vanilla Ltd is part of the Taylor Smith Group, a family run business, which has been in Mauritius for over 100 years.

Bourbon Vanilla Ltd has a passion for quality, excellence, and consistency. Over the years, it has acquired the highest food safety standards together with Organic, Fairtrade, Kosher and Halal Certifications, and we are also audited against BSCI standards.

Our in-house brand name is Vaynilla but we also produce for various private labels around the world, mainly European buyers. Bourbon Vanilla Ltd can supply the Retail, Wholesale/Bulk as well as Industrial market segments.

VAYA 164-PACK
VANILLA TRILOGY

Vaynilla
VANILLA TRILOG

25 ML VANILLA EXTRACT WITH SEEDS

INGREDIENTS: INVERT SUGAR, VANILLA EXTRA (ALCOHOL), VANILLA SEEDS.

Vanilla extract can be used as a substitute to vanilla rule 2 tsp = 1 medium pod. The extract will have th use and works well in ice cream, custards, cakes exquisite vanilla extract not only tastes great, it als

1 VANILLA POD

INGREDIENT: INDIAN OCEAN VANILLA POD

Split the vanilla pod in two length wise using a shar down the entire length of the pod. Add the collected s incomparable vanilla flavor. Use in cakes, crème t pastries. The remaining seedless pod can be added t vanilla aroma. Alternatively it can be added to fruits th before serving.

10 G VANILLA POWDER

INGREDIENT: GROUND VANILLA PODS

We would recommend using the powder in cooked pa black speckled effect of natural vanilla. The powder v looks fantastic and the flavor is powerful. ½ tsp = 1 m used to replace vanilla pods and vanilla extract in ar convenience of being ready to add.
