

CHAEUM F&B

Premium Sachet Series

Experience the purest essence of nature through our innovative premium sachet solutions.

Brand Philosophy & Values

Raw Material First

We source only premium organic ingredients from world-renowned origins to deliver natural vitality.

The 4-Zero Principle

No Sugar, No Fragrance, No Preservatives, and No Coloring. We guarantee the most honest taste.

Innovative Process

NFC pressing and low-temp pasteurization minimize nutrient loss while maximizing freshness.

Manufacturing & Quality Advantage

Global Standards

-  **NFC Technology:** Not From Concentrate. We extract raw juice directly, maintaining the "just-harvested" flavor.
-  **HACCP Certified:** Produced in high-tech hygienic facilities meeting international safety standards.
-  **Organic Certified:** Using only verified ingredients that passed strict European and Korean organic audits.

Supply Chain Stability

With a robust network for Spanish organic lemons and olives, we ensure consistent, high-quality supply for our global partners.
