DESCRIPTION

We are a family business in charge of the production and distribution of snacks, with a presence in 75 countries.

We stand out for offering high-quality products made with carefully selected raw materials and advanced technology, ensuring flavor, freshness, and sustainable processes.

COMPANY HISTORY

PATATAS RUBIO QUALITY

- **Ingredients**

- Select potatoes, sunflower oil, olive oil and salt
- Natural ingredients used in all products produced, thereby producing high quality products

- **Manufacturing process**

- Our crisps are hand cooked, which means that they are cooking in a frying pan.
- We have an official Spanish artisan certificate, which guarantees our authenticity as artisan manufacturers.

- **Packaging**

- In addition to our Patatas Rubio packets, we offer the possibility of manufacturing as a private label
- We have a wide range of packaging formats, for example, in paper, transparent plastic, metallic, etc.

INESSENCE

by Rubio

Inessence is the line offered for export.

'Inessence brings the true essence of crisps to your hands. Every bite is an explosion of authentic flavour, made with ingredients selected to maintain the purity of natural flavour'.
