| Product Characteristics | Use Scenes (Usage · Recipes) | | |
| Specially Selected Rice: Made with 100% Koshihikari rice from Uonuma, the highest quality brand. Product development and supervision by a rice sommelier. Unique Manufacturing Method: Our unique steam heating and pressure method brings out the sweetness of the rice, making it even more delicious. Produced on an FSSC 22000 | Use it as a staple food in Japanese dishes. It can be easily cooked in the microwave, so you can enjoy it whenever you want rice. It's delicious even when cold, making it perfect for onigiri, a type of rice ball commonly seen in Japanese anime and manga. It's easy and convenient to use outdoors, such as camping or picnics. It can be stored at room temperature, | | |
