Product Characteristics	Use Scenes (Usage • Recipes)
The product has the characteristic appearance of a soup concentrate in cube form. The concentrate has a typical and distinctive appearance, consisting of a mixture of salt, dried minced vegetables, fat, and other additives and spices of characteristic flavor and taste. When prepared according to the instruction, by cooking with water, it yields a soup with a characteristic appearance and consistency, and a pleasant flavor and taste. Upon rehydration, the vegetables regain their characteristic organoleptic properties.	Cooking instructions: Put the beef cube into 0,5 L of boiling water and cook on medium heat for 5 minutes with half covered saucepan, stirring occasionally.
