# Why Sesame?

Sesame is known as the “**Queen of Oilseeds**” for good reason, they are naturally rich in antioxidants, essential fatty acids, and vital nutrients.

Used for centuries in **Ayurvedic** and **global cuisines**, sesame oil supports **heart health**, **immune function**, and **digestive wellness**. Whether in cooking or wellness, it remains one of the most versatile and beneficial oils in the world.

In India, sesame oil is commonly known as ‘**til oil**’ or ‘**gingelly oil**’, and has been revered for over **5,000 years**. Deeply rooted in Ayurvedic practices and cultural rituals, it has been used not only for **cooking** but also for **healing**, **massage**, and **religious ceremonies**, symbolizing purity, prosperity, and vitality across generations.
