

# Introducing Bitesense

And its *very first* product line

26 September 2024

**34%** Hunger and Thirst

**22%** Lack of energy

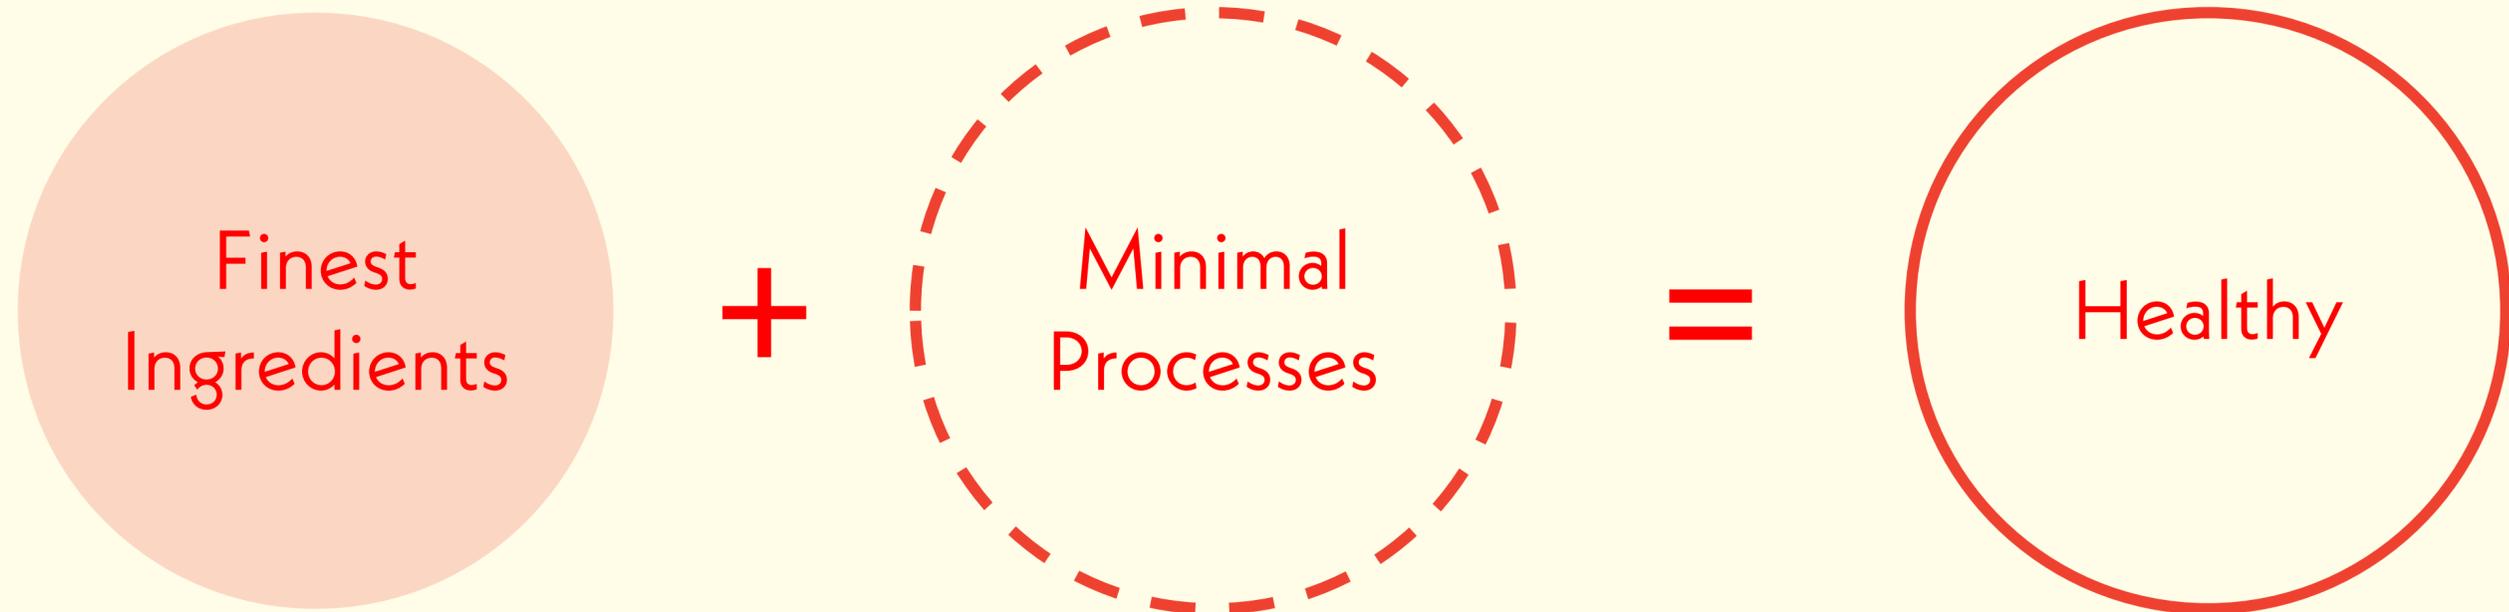

**21%** Habit

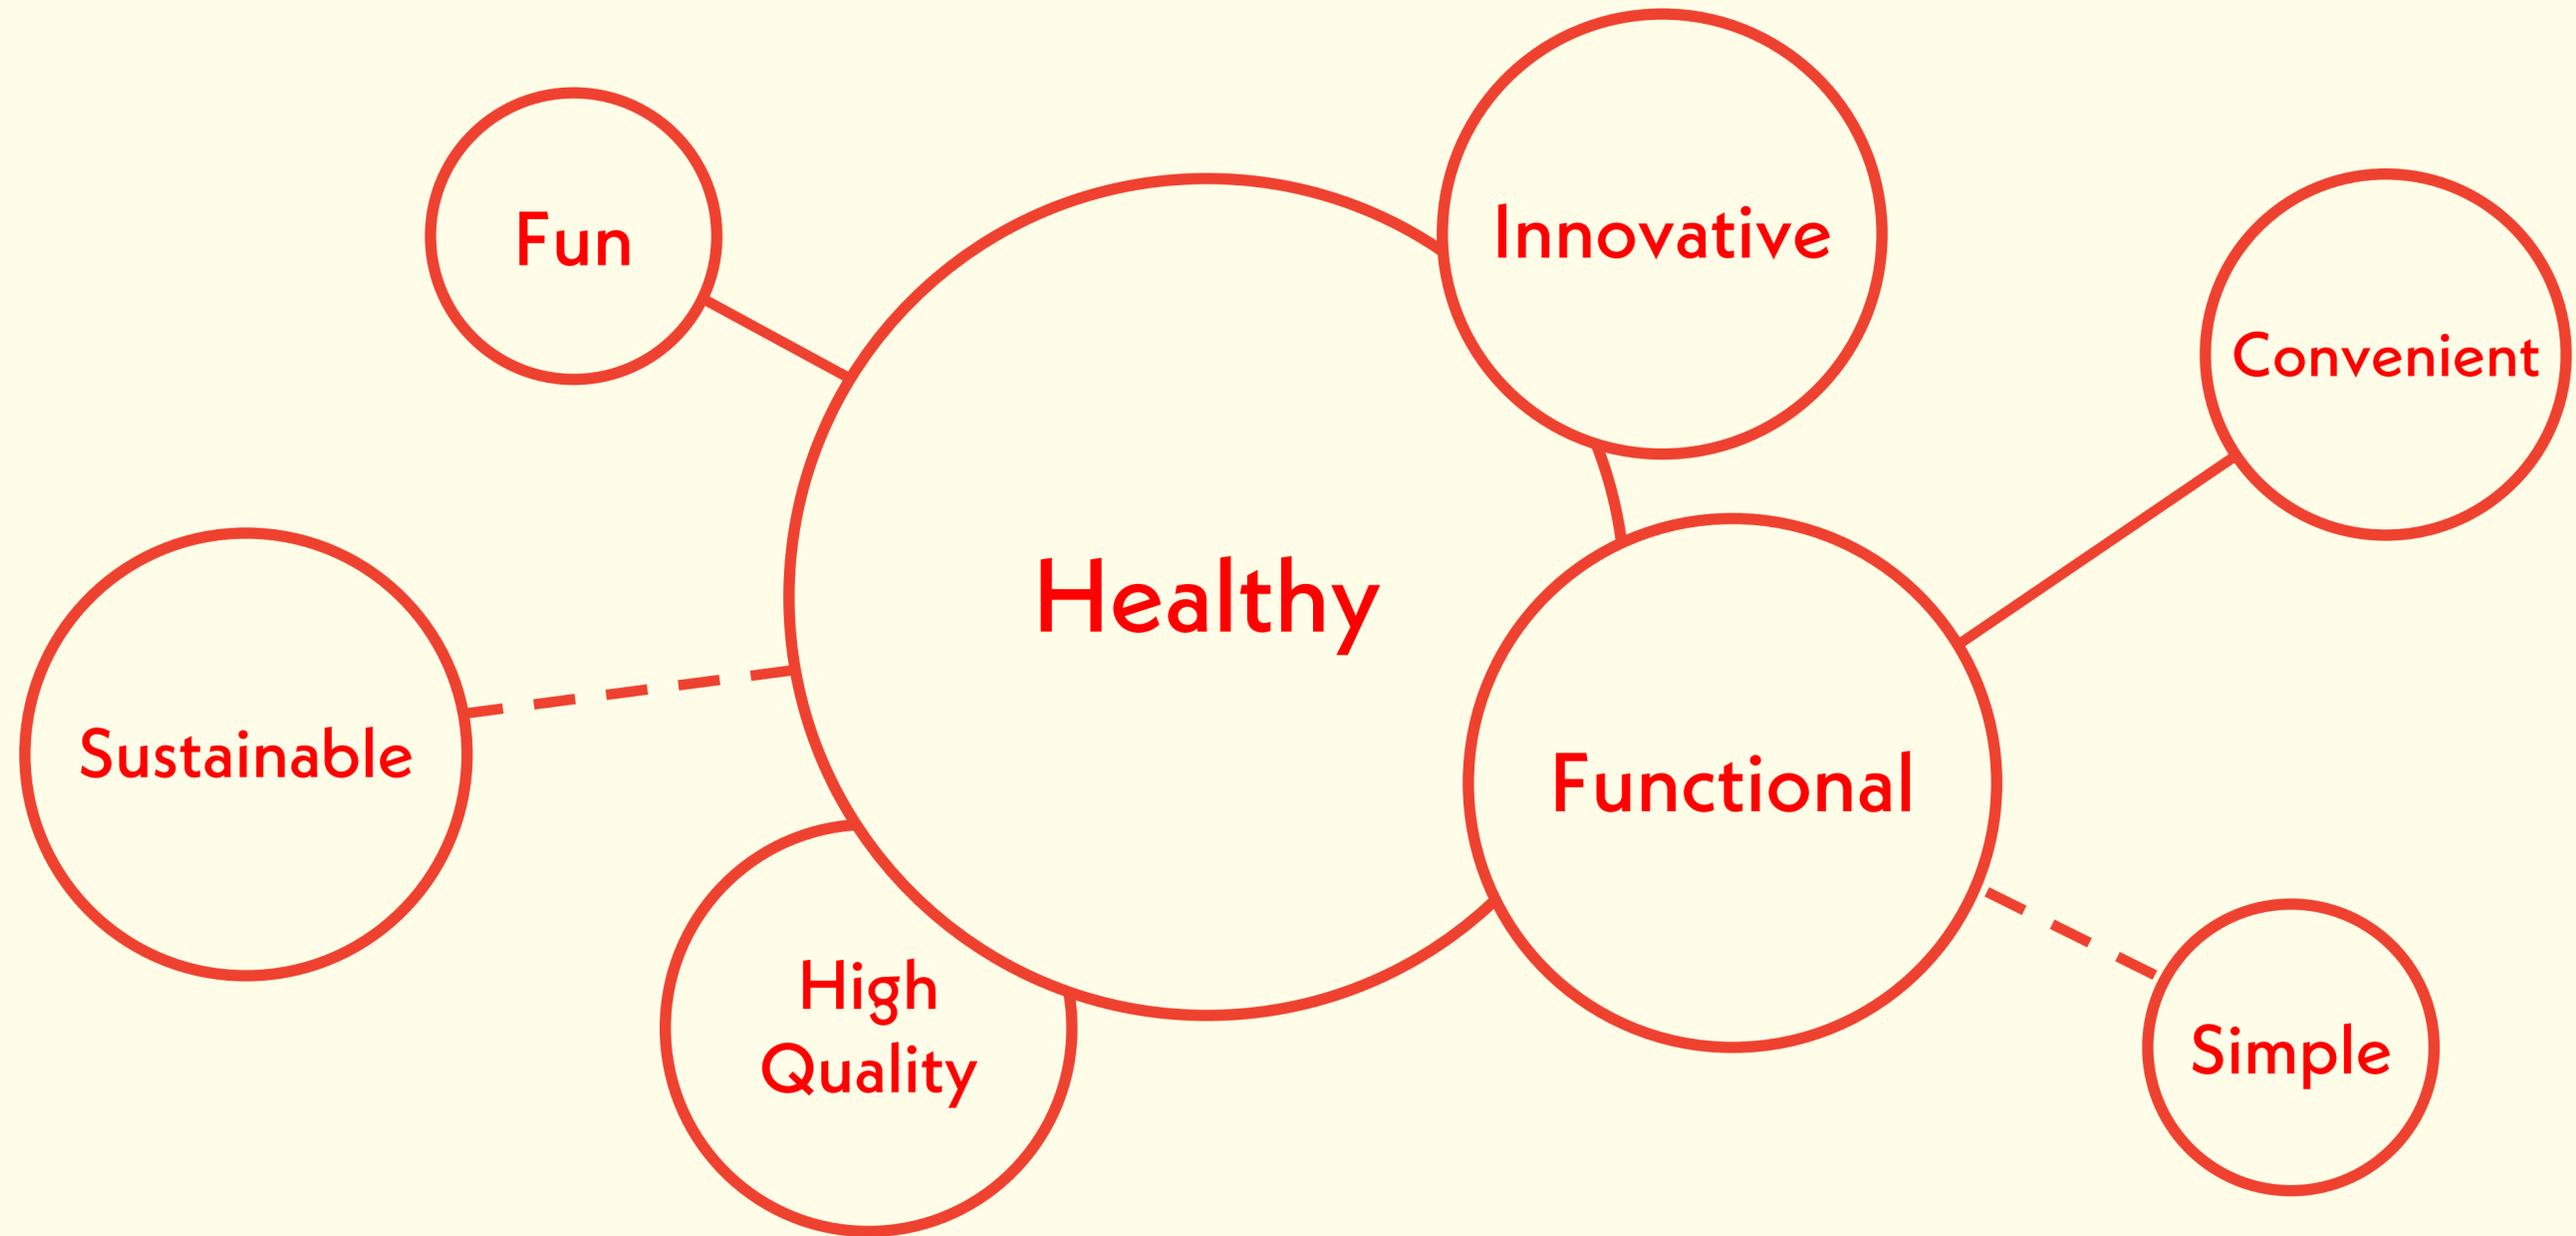

**Younger generation and parents of children under age 18  
were more likely to snack for energy**

**71%** Having at least one snack in the afternoon

**52%** Having at least one snack in the morning

when it comes to the start of the day

A simple way to *satisfy* your cravings.
