

# About Us

FoodLee is a beloved Taiwanese heritage brand with 67 years of flavorful history. In the early days, our first-generation grandparents began each morning at 4 a.m., pushing a cart to the fields to serve hardworking farmers a hearty breakfast — a steaming bowl of pork rib soup and savory braised pork rice to fuel their day.

The second generation continued the legacy by opening our first storefront, providing guests with a cozy, welcoming space to enjoy these comforting flavors.

Now led by the third generation, we've embraced innovation by developing shelf-stable ready-to-eat meals using advanced high-temperature sterilization technology, allowing our dishes to be stored at room temperature for up to two years.

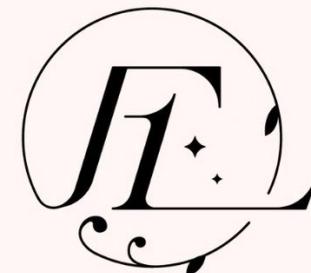

No matter where you are in the world, you can now enjoy the authentic taste of Taiwan anytime, anywhere. FoodLee's signature dishes — Pork Rib Soup and our award-winning Braised Minced Pork Pack — have been recognized by prestigious food awards both locally and internationally, proudly showcasing the rich flavors of traditional Taiwanese cuisine to the world.
