

Gourmet popcorn with a French Touch by

nataïs

Based in south-western France, Nataïs is over 25 years of passion and innovation for popcorn. Our microwave popcorn and our unpopped kernels offers are made with only high-quality and non-GMO popcorn kernels. Nataïs is the promise of a French Gourmet excellence and authenticity, and of a maize grown according to the principles of regenerative farming.

Choosing Maison Popcorn means choosing the perfect popcorn to add a pop of fun and French touch to every occasion.

European Leader in the popcorn market (35% market share)

156 million bags of microwaveable popcorn sold in 2022

60 million euros of turnover in 2022

200 farmers-partners located within a 200km radius around the factory

92% of the turnover realized in export (in more than 50 countries)

46 000 tons of popcorn harvested in 2022
