

All The Elements Aligned to Create This Unequivocal Gold Flakes Rum.

In his quest for excellence, Dr Puri and his team of craftsmen poured their collective century of expertise into the creation of this global first-of-its-kind gold flakes Mauritius rum. Adorned with 24-carat edible gold flakes paired with the heritage-heavy Mauritius rum – a symphony of flavours that graces the palate with every sip.

From The Tropics With Love.

A true masterpiece born from the rum-making heritage of the island, ready to delight the connoisseurs with our own golden touch. Praised as a harmonious and intricately flavoured rum by the International Taste Institute Jury and boasting an impressive history of awards, it is guaranteed to titillate your taste buds.
