■ **Company's profile**

Company's Name		Asiga	
Annual Sales		Numbers of Employees	10
Name of Representative		Tano Lizama	
Messages to Purchasers		<p>Asiga is family-owned, women-led, and indigenous Chamoru cafe, bakery and apiary rooted in Guam. Our apiary in Southern Guam consists of disease-free honey bees with a hives on sustainable and diverse farmland, without use of pesticides. In efforts to support sustainability, food security, and Guam's growing beekeeping industry, Asiga's honey jars and bottles may feature Asiga's honey or various varieties of honey from partner apiaries throughout the island. Each is unique and demonstrates our commitment to quality and seasonality. We work to empower our community to care for our land and community, and to live and eat mindfully. Our facility is licensed to operate under state public health standards and our employees are certified in compliance with state law.</p>
