Sake	Japan	Sodium	1338 mg/100g
sesame oil	Japan		
etc.			
Product Characteristics		Use Scenes (Usage · Recipes)	
The main ingredient is soy protein, and it is a vegan certified product that does not contain any animal protein. It has a spicy Taiwanese mince flavor. It is recommended as a topping for ramen, as an ingredient in rice balls and bread, and in salads.		Used as a topping for ramen and other noodles, in sandwiches, and fried rice. Recommended for serving in restaurants and in packs at supermarkets and convenience stores.	

## Product Picture

### Allergen (Specific Raw Materials)
