## CHICK-N NOODLE SOUP

Busy day or a little under the weather? Treat yourself to a quick, “ahhhh.... moment” with Gluten Free Meister's Plant-Based Chick-N Noodle Soup—a comforting bowl of tradition, reimagined for the modern lifestyle.

Simply add hot water, wait 5 to 6 minutes, and enjoy a steaming cup that transports you to a cozy kitchen. It's instant warmth and comfort—a hug in a cup for your body and soul.

Perfect as a snack, a light meal, or a soothing remedy when you're under the weather, this versatile soup is your go-to solution. Want to make it heartier? Just toss in some extra veggies and make it your own!

FREE OF THE TOP 6 ALLERGENS

### INGREDIENTS

Noodles [White Rice Flour (Non-GMO), water, potato starch, vegetable oil (rice), alginic acid ester (kelp-derived), modified starch (tapioca), vitamin B2 (color), alginic acid ester (kelp-derived)]  
Soup Base [starch hydrolysate, salt, glucose, yeast extract, sweet corn powder, garlic powder, hydrolyzed vegetable protein, vegetable oil (soybeans), black pepper, onion powder]

**Serving Size:** 4 Servings per container (3.6oz (102g))

**Noodles (per serving):** 0.60oz (17g)

**Soup Base (per serving):** 0.30oz (9g)

**Shelf Life:** 15 months

**Storage Method:** Shelf stable, ambient storage

### INSTRUCTIONS (1 serving):

#### Hot Water Directions: For an Instant Treat

- 1 Empty the noodle and soup packets into a cup or bowl.
- 2 Carefully pour slightly less than 3/4 cup (200 ml/6.76 oz) of boiling water.
- 3 Cover and let it stand for 5-6 minutes. Stir well and enjoy!  
\* For softer noodles, let it stand for a few extra minutes.

#### Microwave Directions (cup or soup bowl): For a Quick Fix

- 1 Empty the noodles and soup packets into slightly less than 3/4 cup (200 ml / 6.76 oz) of water in a microwave-safe container and mix.
- 2 Microwave on High until boiling, for about 2-3 minutes, depending on your microwave power. Adjust cooking time as needed.
- 3 Carefully remove the container from the microwave and let it stand for 2-4 minutes. Stir well and enjoy!  
Watch out for boil-over.  
Do not use a lid when heating in the microwave.
