CERTIFICATIONS

AGAVE INULIN POWDER

AGAVE INULIN

Inulin is a prebiotic ingredient that belongs to a class of fibers known as fructans. Inulin is a soluble dietary fiber extracted from the agave plant, therefore it can be labeled as such.

It improves gut health by stimulating the growth and activity of good bacteria in the colon, resulting in a overall health.

This beneficial product takes the best from Agave, becoming the ingredient of the future.
