ORGANIC SWEET AGAVE POWDER

Our Organic Sweet Agave Powder is produced with the best raw material, the Blue Agave. It is a natural alternative to conventional sweeteners that maintains all the benefits of the Agave Syrup with the versatility of being a powder. It naturally contains inulin, a prebiotic fiber that helps improve intestinal health, which makes it a unique functional and natural sweetener.

Made 100% from Blue Agave and free from any additives.

Agave powder is a popular choice for vegan or plant-based products as it is derived from plants.
