# LORD'S Chocolate

# LORD'S Chocolate

It is more than just a chocolate brand; **it is a journey into the heart of this mesmerizing land.** The story began with a passionate chocolatier, Chris, who had spent his life amidst the cocoa groves of Ecuador. Growing up, he heard tales from his father about the sacred cacao and the legends surrounding it because his father was already dedicated to cocoa commercialization and exportation of high-quality cocoa beans and derivatives.

Chris dreamt of **sharing the magic of Ecuador's cocoa with the world.** Chris was joined by a dedicated team of farmers and chocolate artisans; together, they ventured deep into the heart of the rainforest, with nothing but machetes and their unyielding passion for the art of chocolate. Through the dense underbrush and alongside glistening rivers, they discovered a hidden cocoa plantation, the beans glistening like gems in the dappled sunlight. It was a treasure waiting to be unearthed. People around the world indulged in the rich, velvety taste that transported them to the heart of Ecuador's rainforest.

LORDS CHOCOLATE, with its exquisite taste and developed flavors, is more than just a chocolate brand; **it is a celebration of Ecuador's natural bounty.**

It reminds the world that hidden treasures lie the most magical places, waiting to be discovered.

## Cocoa Liquor

Cocoa liquor is a semi-finished product that captures the pure essence of cocoa. It is obtained by grinding fermented and roasted cocoa beans, preserving both the cocoa butter and cocoa solids. Its creamy texture and intense, slightly bitter flavor make it an essential ingredient for the production of fine chocolates and gourmet products.

Exported from Ecuador, a country recognized worldwide for the quality of its cocoa, cocoa liquor serves as the foundation of excellence for artisanal chocolates and premium confectionery.
