Authentic Corn Products Made in Canada with Love

# Casa Bonita Introduction

**Casa Bonita Foods Inc.** is a **Mexican-Canadian food brand** dedicated to crafting **delicious, authentic corn products**.

We are **Canada's largest soft corn tortilla manufacturer** and the **only company** with the technology and distribution network to supply our **shelf-stable tortillas coast-to-coast—without refrigeration**.

Bringing the **authentic taste of Mexico** to Canadian tables, one tortilla at a time!

# Casa Bonita Soft Corn Tortillas

# Casa Bonita Organic Chips

Our **tortilla chips** start as **real tortillas** before being transformed into the perfect chip!

Unlike large chip manufacturers who use an **extrusion process**, skipping the baking step, we take the **authentic approach**:

- ✓ **First, we bake** – Developing rich flavour and texture
- ✓ **Then, we fry** – Achieving the perfect crisp and crunch

This **two-step process** creates the **most authentic Cantina-style chip**, delivering **superior taste, texture, and quality** in every bite!

Our Tortilla Chips – Crafted for Quality & Authenticity ✨

- ✓ **Certified Organic & Non-GMO** 🌱
- ✓ **Authentic Cantina-Style** – Baked, Then Fried 🔥

## Casa Bonita Spent Grain Chips

In 2018, we developed a **proprietary process** transforming **spent grain and pulp** from **beer brewing** and **cold-pressed juice production** into delicious, nutritious chips and tortillas. 🌱

Through our partnership with **Steam Whistle Brewery**, we've created a **unique beer-infused** line of:

🍷 **Beer Tortilla Chips** – A rich, malty crunch with authentic flavour

This innovative approach **reduces food waste** while delivering **bold, delicious, and sustainable** snacks!

### Ingredients:
