OUR CREATIONS

Our almond speculoos mini & large (Belgian caramelised biscuits)

These almond speculoos are made without palm oil- and non-hydrogenated vegetable fat. They are light and crunchy and this taste of toasted almonds combines perfectly with the sweet flavor of cinnamon. In "coffee" format (mini) or in "snack" version (large), the most popular format in our bakeries in Belgium.

Our pure butter speculoos with almonds or nature

Taste the very essence of Belgian tradition with our pure butter speculoos. These biscuits with their rich buttery flavor melt in your mouth to offer you an authentic and delicious experience with every bite.

Faithful to our traditional recipes, these speculoos are the very essence of our artisanal know-how, having inspired the birth of our brand 'Specul'House'. Since 1985, they have been the emblem of the family bakery, nestled in the heart of the Liège region, in Belgium.
