Famous, Indeed!

Martin's® has gained recognition and fame through the mentions of many publications such as Bon Appétit, GQ, Rachael Ray Everyday, and Cook's Country as well as popular online sites such as Eater and MSN.com. Here are a few notable mentions:

How We (Potato) Roll –
“Martin's® rolls are marshmallow-soft and sweet and magically made of potatoes. There is nothing better for sandwiching a charred burger patty with a slice of tomato, lettuce and onion. (Sorry, fancy brioche and squat English muffins)...”
– Tasting Table

How Martin's® Potato Rolls Became the “IT” Burger Bun – “The answer is a combination of a few factors: there's the Shake Shack effect, surely but the global reach of Martin's® Potato Rolls has also been fueled by nostalgia and the power of internet word-of-mouth.”
