

# f r u i t   d r i n k s

The Østerberg fruit drinks are a series of organic, non-carbonated, ready-to-drink beverages with a high fruit content and no added sugars.

The fruit drinks are intense and flavourful and offer the taste experience of combining fruits & herbs from all over the world; Nordic, African, South American and so forth.

The Østerberg fruit drinks are all a perfect pairing in any dining experience but are also very kid-friendly and easy to drink.

## elderflower drink

### floral & intense

Elderflowers used for Østerberg drink are extracted at the Østerberg family's fruit plant on the Island of Funen. The Østerberg elderflower drink offers an intense and sweet mouthful of elderflower combined with a fresh and floral flavour profile. It's the perfect thirst-quenching drink.

- Non-carbonated.
  - A Danish must-have beverage.
- 

## lemon & lemon verbena

### fresh & herby

The Østerberg lemon & lemon verbena drink is a refreshing lemonade with a twist of lemon verbena. Taste-wise it offers a fresh and lemon-rich flavour profile, which is perfect to quench the thirsty any time of the day.

- Non-carbonated.
  - Fresh and slightly acidic.
- 

## blackcurrant & baobab

### intense & fresh

The Østerberg Blackcurrant & Baobab fruit drink is the innovative meeting of the Scandinavian and African fruit universe. In this drink, blackcurrant is the dominant flavour, while Baobab offers a more subtle complementing acidic note to the berries. A well-known drink with an innovative touch.

- Non-carbonated.
  - Unique flavour pairing.
