Name of the Person in Charge		Dulguunmaida Tsagaanbandi	E-mail Address	Dulguunmaida@monos.mn
Phone Number		+976 80084222	Fax Number	

■ Selling Points of the production process

Our shilajit is hand-harvested above 3,500m in Mongolia's Altai Tavan Bogd National Park — one of the world's last truly untouched wilderness areas. Raw resin is purified using traditional water-based methods, removing all heavy metals, contaminants, and impurities without chemical solvents. Every batch is then processed in our FSSC 22000, ISO 9001, and ISO 14001 certified facility — independently audited to pharmaceutical-grade standards — and laboratory tested for potency and safety before release. Clean source. Rigorous process. Certified quality. That's the difference you feel.
