■ Selling Points of the production process

Budimka Požega combines modern, revitalized production facilities with locally sourced raw materials to ensure fresh, high-quality fruit and vegetable products. Operating under international food safety standards such as IFS, BRC, HACCP, SEDEX, SMETA, the company offers large production capacity, flexible manufacturing, and a wide product portfolio. With decades of brand trust and strong potential for both export and private label production, Budimka is a reliable and competitive partner in the food processing industry.
