Messages to Purchasers		Cantina Sassarini is a family winery that has preserved the winemaking tradition of the Cinque Terre since 1968, celebrating it as a symbol of a harsh and difficult-to-cultivate region. The winery was founded by Natale Sassarini, which first recognized the quality and interest associated with the production of Cinque Terre wine, appearing as a trailblazer in the identification of the Controlled Designation of Origin in 1973. Natale Sassarini built his winery and gathered around him numerous farmers who incessantly cultivated their vineyards with pride and mastery. Today his horizon seems to merge with the horizon of all the winemakers of the Cinque Terre and his son Giancarlo, who proudly carries on the work he began over half a century ago.
