Miso-Based Noodle Sauce with Authentic Flavor

A carefully crafted blend of deep, robust Mame miso aged in Japanese cedar barrels and smooth Kome miso. The refined aroma of bonito broth enhances the richness of the miso.

Easy-to-Use Triple Concentrate

Adjust the strength with water or hot water to suit your taste. Perfect not only for soba, udon, and somen, but also for simmered dishes, stir-fries, and many other recipes.

Delicious Hot or Cold

Enjoy it chilled with noodles and ice for a refreshing taste, or warm with udon and hot pot dishes for a richer flavor. Great in any season, whether hot or cold.
