Messages to Purchasers	<p>Our vision is clear: to become a reliable global partner of leading European and global retail chains in the frozen fruit segment. We do not rely on current trends, but on decades of experience, direct cooperation with proven farmers and strict adherence to quality standards, from field to packaging. Advanced automated lines allow us to deliver the entire range from retail to industrial formats. The quality and food safety system is uncompromising, verified by regular unannounced audits and the world's highest certificates. For our partners, this means very simply: Just-in-time delivery, stable processes and impeccable service to rely on. Sustainability and expansion of the organic product portfolio is not an add-on, but a key growth direction. With SEDEX and the ability to deliver certified organic categories, we bring the differentiation that the market demands. Today, we are present in 20+ global markets, where we supply supermarkets with more than 100</p>
