Name of the Person in Charge	Antonino Tiberio	E-mail Address	export@burgusvitae.com
Phone Number	+39 328 7311238	Fax Number	

■ Selling Points of the production process

Our vineyard is located between the sea and the mountain, with an ideal microclimate that enhance the freshness, minerality, and aromatic complexity. On top of the hill, more exposed to the sun, we cultivate our montepulciano and red grapes, while down to the hill, more fresh and close to the river, we cultivate our white grapes. Our wines are the best representation of our territory, using the most recent agricultural techniques.
