■ Selling Points of the production process

<p>Glutinous rice ⇒ Washing ⇒ Soaking ⇒ Grinding in water ⇒ Vibrating sieve ⇒ Dehydration ⇒ Cutting ⇒ Drying ⇒ Product tank ⇒ Weighing and packaging ⇒ Metal detector ⇒ Weight checker ⇒ Boxing ⇒ Storage ⇒ Shipping</p> <p>We perform a 'grinding in water' process, where the soaked rice is pulverized together with a large amount of water. Unlike dumplings, you can enjoy a smooth texture.</p>
