

## CHEESE WITH ADJECTIVES

### GOUDA WITH NIGELLA SEEDS

A creamy cheese with the distinctive taste of nigella seeds, also known as black cumin. Their slightly bitter, spicy aroma adds depth to the cheese's natural milky flavor. Rich in beneficial substances. Perfect in salads, with grilled vegetables, sprouts, or simply enjoyed on rye bread toasts.

### GOUDA WITH FENUGREEK

A velvety cheese with delicate aroma of fenugreek, known as "God's herb." Its subtle nutty and slightly sweet notes create a perfect harmony of flavor, making it a unique specialty. Ideal with fresh bread, honey, preserves, or jams, this Gouda offers both indulgence and a touch of nature's hidden health benefits.

### GOUDA WITH CHILLI

A gently matured cheese with mild character enhanced by a piquant blend of herbs. The delicate taste of Polish milk is brought to life with this aromatic addition, creating a unique flavor experience. Excellent in sandwiches and salads, or enjoyed on its own as a refined snack.

### GOUDA WITH CHANTERELLES AND ONIONS

A unique cheese with chanterelles and a touch of fried onion, it offers a refined taste and a characteristic mushroom aroma. Perfect with fresh bread, indispensable on a cheese board, and an excellent addition to salads, casseroles, and toasts.

### SALAMI TOMATO AND BASIL

Maturing cheese with a mild, aromatic and subtle taste. Its interior is delicate and soft, enriched with sun-dried tomatoes and basil.

### SALAMI HERBS AND GARLIC

Maturing cheese with a mild, aromatic and subtle taste. Its interior is delicate and soft, enriched with a mix of herbs and aromatic garlic.

### SALAMI BLACK PEPPER - CHILLI

Maturing cheese with a mild, aromatic and subtle taste. Black pepper and chilli added to a cheese make it more spicy and distinct.
