About Us

Kangwan Biotical Evangel Enterprise Co., Ltd.

is a trusted specialist in herbal dietary supplement manufacturing, operating under international production standards. We are committed to developing high-quality, safe, and reliable herbal products.

Our company has earned the trust of many leading clinics across Thailand and has also expanded to international markets, catering to the rapidly growing global health and wellness industry.

Mr. Kang Yin

An esteemed expert in herbal innovation, he is the 8th-generation heir of a Chinese traditional medicine lineage with a legacy spanning over 400 years. Dedicated to advancing high-quality herbal products he has collaborated with leading health clinics and herbal manufacturing facilities to transfer knowledge and elevate production standards in alignment with international benchmarks.

Vision&Mission

Vision

Founded with the determination to become a leading manufacturer of premium herbal dietary supplements, we aim to meet the needs of consumers both domestically and internationally.

We strongly believe in the power of Thai herbs, a wisdom passed down through generations, combined with modern production technology to create high-quality, standardized herbal supplements.

Mission

- Manufacture under international-standard facilities, supporting both domestic and export markets.
- Promote the use of Thai herbs for sustainable health and wellness.
- Build trust and maximum satisfaction for our partners and consumers.
- Not only producing supplements, but also striving to create better health and sustainable quality of life for people everywhere.

MANUFACTURING FACILITY

Kangwan Biotical Evangel Enterprise Co., Ltd.

operates under internationally recognized manufacturing standards (GMP, HACCP, and ISO) supporting the full-scale production of dietary supplements, cosmetics, and herbal products.

Our facility is equipped with state-of-the-art machinery and a strict quality control system throughout every production stage, ensuring that each product is of the highest quality, safe, and fully compliant with standards before reaching consumers.

Quality Standards

Our manufacturing facility operates under internationally recognized standards, including

- ✔ **Good Manufacturing Practice**
Ensuring product quality and safety through good manufacturing practices.
- ✔ **Hazard Analysis and Critical Control Point**
A preventive system for food and drug safety through hazard analysis and critical control points.
- ✔ **FDA Certification (Thailand)**
Official approval from the Thai Food and Drug Administration to ensure product safety, quality, and reliability.
- ✔ **U.S. FDA Certification**
Our facilities and products are registered and certified by the **United States Food and Drug Administration (U.S. FDA)**, a globally recognized standard ensuring **safety, quality, and reliability**. This certification enables our products to enter and expand in international markets with confidence.

Products

Our company manufactures more than 120 high-quality products that have been officially certified and recognized by regulatory authorities.

These include approval from the Thai Food and Drug Administration (FDA Thailand) as well as certification from the U.S. Food and Drug Administration (FDA USA), ensuring the highest standards of quality, safety, and international credibility.

herbal products for our business partners

Our company is recognized and trusted as a manufacturer of diverse herbal products, serving healthcare institutions and wellness centers both domestically and internationally. This reflects our commitment to globally recognized quality standards.

**Trusted globally, our products
are the choice of customers around the world**
