Certifications (Products/System)					

Ingredients and Additives	The Place of Origin	Nutritional Facts	Ingredient Amount (Eg. X calories/100g)
100% fruit.		Nutritional values vary depending on the fruit variety.	
No additives, preservatives, or sugars are added.			
Product Characteristics	Use Scenes (Usage - Recipes)		
The product group includes frozen fruit products produced from various types of fruit. All products are manufactured using the same processing steps and food safety control measures. Differences between individual products are limited to the type of fruit used as raw material.	Suitable for direct consumption after thawing or as an ingredient.
