## ■ Selling Points of the production process

A whisky made by a family distillery in the heart of Slovenia, on the outskirts of a primeval forest of Kočevsko. It is made only out of Slovenian raw materials and aged in carefully selected barrels, which offer a deep, complex flavour profile with notes of oak, vanilla and fruits. It differs from others, because it is aged in new salovian oak barrels. It is a premium spirit, which embodies purity and is resonating with the appreciation for nature and craftsmanship. This whisky is presented in a Slovenian-made elegant and timeless bottle that makes the drink suitable for ideal gifts or for premium spirits enthusiasts and showcasing in high-end spirit collections. It is also a versatile pairing with fine dishes or also enjoyed neat. A whisky with a real story: an old dream-come-true of our master distiller.
