Messages to Purchasers	<p>GUARANTEE RESPONSIBILITY TAINAN CITY YUJING Leading Greenfruit Production Cooperative Established in 2013 in Yujing District, Tainan City, the Cooperative is a key production and packaging hub for mangoes in the Yujing area. Its main crops include mangoes and guavas.</p> <p>Mangoes are the primary crop, with a production season from June to September, while guavas are grown from October to May. Both crops have obtained Global G.A.P. and ISO9001 certifications, qualifying them for export as high-quality fruits.</p> <p>To reduce chemical pesticide risks and promote environmental friendliness, the Cooperative has adopted Integrated Pest Management (IPM) cultivation practices. In 2022, it was honored with the 2nd IPM Award.</p> <p>In addition, to enhance the value of mangoes and assist local farmers in processing their produce, the Cooperative established a packaging and processing facility. In 2023, it became the first certified primary mango processing plant in Tainan, indicating...</p>
