

A large, light-colored biscuit or cracker that has been shaped into the letters of the word "VFOODS". The letters are arranged in a slightly staggered, horizontal line. Below the letters is a long, thin, textured biscuit or cracker.

Variety Foods International Co., Ltd.

## ABOUT OUR COMPANY

Variety Foods International Co., Ltd. is one of the leading biscuits and snacks manufacturer in Thailand, established in 2004 and well-known as "VFOODS".

We have been baking exceptional biscuits, cookies, crackers, wafers and snacks for generations. Committed to the high-quality standards, using the finest ingredients with excellent taste, we have gained the trust of many customers both domestically and internationally.

We offer over 200 SKUs, produced with a daily capacity of more than 350 tons.

# VFOODS AROUND THE WORLD

VFOODS products are exported to more than 40 countries around the world. The “VFOODS MIX” brand is already successful in China and Vietnam.
