## ■ Selling Points of the production process

<p>This Gin is an unique fusion of classic gin botanicals and handpicked aronia berries, creating a refreshingly fruity and aromatic experience. Distilled with precision, added 100% aronia juice for a smooth, well-balanced flavour. It is perfect for those who enjoy a bitter-fruity twist in their gin while maintaining the essence of a premium handcrafted spirit. Crafted in small batches, ensuring the highest quality and consistency. This Gin is ideal for creative fruity cocktails or enjoyed simply with tonic to highlight its natural berry notes. Also visually stunning, appealing to both connoisseurs and those discovering new flavour profiles.</p>
